

Thank you for your interest in becoming a corporate sponsor of the Huntsville Electro-Optical Society (HEOS). It is the aim and purpose of this society to stimulate and facilitate the knowledge of optics and photonics, to promote the mutual interests of its members, and to encourage the discussions of science and engineering among its members and the public. Membership is open to individuals and organizations practicing or interested in optics, photonics, science, or the education thereof. HEOS is an Alabama Nonprofit Corporation which has applied for federal tax-exempt status as a 501(c)3 nonprofit organization. HEOS also acts as a local section of the Optical Society of America and a regional home for members of SPIE, the International Society for Optical Engineering.

Corporate sponsorship includes ten HEOS memberships for employees, a prominent listing as a sponsor on the [HEOS web page](http://www.HEOS.org) www.HEOS.org, and access to the talents of the Huntsville electro-optical community. The cost is \$200 for each year of sponsorship.

To become a corporate sponsor, please join using our [online payment option](#) or return this form along with a payment of \$200 for each year of sponsorship to a HEOS officer, or mail to:
